

What Are My Best Qualities?

Like our iconic kiwi, each one of us is unique. We all have different positive qualities to be proud of. Share your special qualities in the space around the egg below. Inside the egg, share a personal quality that you would like to 'hatch' and grow this year. Share each quality by starting with an 'I' statement.

Example: I am honest, I show empathy, I can keep calm in tense situations. I am looking forward to growing in confidence when speaking in front of a large group.
