Dear parents, caregivers and whanau

Market Day.

What a wonderful turnout for this great day. The students made a profit of \$6,325.00 and are now deciding what to spend that money on. I hope the school will do this day again in 2024 now they have a better idea of how it all works.

This term will move by quickly with lots happening. Do check the dates and let's agree that the weather will be fine!

REMINDER Early pick ups

As part of our safety review, we have found we need to change the way children go home early to ensure every child is safe. It is also a huge problem for teachers to have their learning interrupted by requests for children to go home early and is hard to manage at the office.

Parents or caregivers who need to take a child out early for an appointment, need to **come to the office between 11.30-11.45 only to sign their child out.** Otherwise, all children will need to stay until 3pm and we cannot release children before this time.

Please also note that only parents or caregivers can sign children out.

Thank you everyone for helping us to keep your children safe.

Fantastic work by these Basketball Teams – Second and third place in a competition that went on for 8 weeks. Great work coaches Justine Montague and Bev Teraitua!

School bikes

We had a recent break in and have had 6 bikes stolen. 1 x 540 size and 5 x 650 size bikes. They are black with orange markings, This is very sad as these bikes are for children at the school to learn to ride.

If you see any of these bikes around, please let us know or return them to the school.
